About Firefighters

Firefighters are important people because they work in our communities and, they keep us safe from fire.

Firefighters put out the fire and they wear special uniforms to protect them from fire flames because they wear a firefighters suit, a helmet, and gloves. The uniform keeps firefighter safe from the fire.

Firefighters have an emergency calls they ride on a special trucks has big huge ladders and water hoses and other special tools.

Fire trucks has a loud sirens sound and lights flash.

Firefighter reach fire site they use their special tools to put out fire using their special tools using big huge ladders and water hoses.

Firefighter use water hoses to spray water on the fire and firefighters work quickly.

Some fire are tall building firefighter use their huge tall ladders to climb a ladders tall building.

Firefighter goes into the burning building to find people trapped inside the building.

Being a firefighter is a dangerous job.

To be a firefighters must, you will need to go training school and firefighters, must be brave and ready to fight the fires any time day or night.

School visit the fire station to learn about fire.

And firefighters talk about safety how to escape from fire.

Escape plans are important too.
